4. The material facts constituting probable cause that the search should be made are:
On September 18, 2009, officers of the Farmville Police Dept. discovered the bodies of four deceased persons at 505 First Ave. Farmville, VA. The four victims had signs of obvious trauma and violence. Preliminary examinations by Medical Examiners lead them to believe that the deaths occurred from one to two days ago for a male victim, three or more days ago for the other three victims. Richard Samuel Alden McCroskey, III was seen inside the home at that address by multiple police officers, at two different times, between midnight and 1:03 a.m. on September 18th. McCroskey was also seen at the residence on September 16th by Thomas Wells, Jr. A White 2000 Honda 4-Door, registered to Mark Niederbrock, was involved in a vehicle crash on Sept. 18th at approximately 4:00 a.m. Richard Samuel Alden McCroskey, III admitted to driving said vehicle at that time. We have reason to believe that Mark Niederbrock was at the residence on Thursday, September 17th. No one has been able to make contact with Mark Niederbrock since that date.

5. The object, thing or person searched for constitutes evidence of the commission of such offense.

6. I have personal knowledge of the facts set forth in this affidavit OR

7. I was advised of the facts set forth in this affidavit in whole or in part, by an informer. This informer's credibility or the reliability of the information may be determined from the following facts:

The statements above are true and accurate to the best of my knowledge and belief.
